"Hello State Treasurer Steiner,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an estimated 180 preventable deaths each year.

I'm hoping you will stand up in favor of the Bay Area Hospital.
