HB4075

"To: Treasurer Steiner and Legislators,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Your support of the Bay Area Hospital is needed now.
