Measure, Appointment or HB4153  
Topic:

My name is Lisa Porter, I am a member of the community Langlois, Oregon and I support the multiple farm stands that operate in my area. I am in opposition to HB 4153. Please do not regulate one of the most enjoyable factors of the land in which we live. I utilize the resources of farmstands on a weekly basis 3/4 of the year. There are over 6 farmstands that I frequent. Each of the farmstands provide their own character that would be truly missed.

Thank you for your ear on this issue
