"TO: Oregon Leaders,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

We're counting on you to help support the Bay Area Hospital!
