Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

Local farms offering the community to come in and take awe in their work and efforts while enjoying the scenery and goods they offer is a necessity to keep the farmer and consumer connected in a world where this has become a disconnect. It builds relationships and allows consumers to have buy-in with the livelihood of the producers while helping to facilitate family memories and traditions.
