

Submitter:	April Bailey
On Behalf Of:	Republicans of Neskowin
Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

I oppose HB4134. Oregonians pay some of the highest taxes in the entire country, but receive terrible service from our government. Oregonians will pay a large share of this tax due to traveling in state. They will also pay more to send state officials and government employees for in-state travel expenses. Meanwhile tourists may chose to travel to states with lower lodging taxes.

VOTE NO ON HB4134!
