Co-Chairs Helm and Owens, Vice-Chair Finger McDonald, and members of the
house Committee on Agriculture, Land Use, Natural Resources, and Water:

My name is Mark Eason and I am a local resident in the town of Port Orford, in Curry
County. I am writing you today to express my feelings of opposition to HB 4153.
I am a long time resident to the state of Oregon ie a Pioneer according to ODFW
standards. I have resided and worked in small rural communities here in Oregon and
have been an
avid supporter of small scale farming and farm stands my entire life. These and other
cottage industries have been and are a real part of the heart of rural Oregon.
I am asking you today to not support this bill or any other bills that come across your
desk that aren't in full support of small scale farms, farm stands , and small scale
cottage industries of all types. Please work to preserve, to promote and enhance
these small businesses. Lets keep the heart of rural Oregon thriving and alive.

Thank you,

Mark Eason
