Measure, Appointment or HB4153  
Topic:

HB4153 is a bad idea and would make bad policy if passed. It would hurt the small, non corporate, farmer. Small farms and farmstands are a significant economic infrastructure on the Southern Oregon coast; they are one of a very few sustainable business of the rural coastal community.

I support and frequent small farms and farm stands from Coos Bay to Brookings; and Ft. Dick and Crescent City. I urge you to oppose HB 4153 and perminately kill it.
