Measure, Appointment or Topic:

HB4134

I am writing in support of HB 4134 with the -1 amendment to increase lodging tax by 1.25% to help recover wildlife in Oregon.

I have lived in Oregon for 57 years , in college at OSU I studied Hotel and Tourism management. I know very well the importance of recreation for tourism but to be honest , my bigger concern is for a healthy eco system for my children and future grandchildren to enjoy.

Please pass this measure and thank you for your service
