Measure, Appointment or Topic:

HB4111

I am a long-time resident of Oregon and am writing in support of HB 4111. Raising immigration status during civil cases when it is not essential to prove a claim serves only to discourage residents from serving as witnesses, resolving family legal issues, or seeking justice for discrimination, retaliation, wage theft, personal injury, and more. This makes our communities less safe for everyone and enables intimidation and abuse of a vulnerable segment of our society.

Please vote "yes" on HB 4111.

Thank you,

Amanda Duncan
