Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

I am against HB 4153 as it will only make things harder for small farmers while giving large farms carte blanche. If anything I would prefer a bill that does the opposite. I patronize several local small farm stands and they bring many benefits to myself and my community. This bill would negatively affect them while giving tax deferrals to large companies who may not fully use their farm land as it is designated.
