On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB4134

Please move HB 4134 out of committee. Currently, the Oregon Dept of Fish and Wildlife (ODFW) does not receive any dedicated funds from the state for the recovery and conservation of endangered species and habitats. This is an easy way to support these efforts- Oregon's hotel tax will still be very low compared to other states, and it will not affect tourism. There is no time to lose.

Thank you!
