Measure, Appointment or Topic: HB4049

To the Honorable members of the House Committee on Agriculture, Land Use,
Natural Resources, and Water.

My name is Susan Bunch, and I am involved in the cattle and beef industries residing in both Durkee and La Grande, OR. I am writing to respectfully submit my testimony regarding HB 4049, a bill concerning agreements between ground water users in the Greater Harney Valley Groundwater Area.

Cooperation between parties is key in maintaining steps toward the stability of ground water. Oregon Farmers and Ranchers provide numerous nutritious products and are the original stewards of the land.

I urge the committee to consider the importance of supporting and promoting Oregon Agriculture through APPROVAL of HB4049.
