Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4134

I support responsible conservation but believe HB 4134 places an unfair and counterproductive burden on tourism businesses, workers, and everyday Oregonians. I urge the Committee to vote against HB 4134 or amend it to remove the tax increase and explore alternative, less burdensome funding mechanisms. Thank you for your time and consideration. I respectfully request that this bill not advance in its current form.
