HB4075

"To: Oregon State Treasurer and Legislature,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

I'm hoping you will stand up in favor of the Bay Area Hospital.
