Measure, Appointment or Topic: HB4153

I am writing in support of HB4153. Favorite activities of my family are attending farm festivals and activities. This exposes the children to our agricultural community with fun and educational experiences. These are healthy, outdoor activities, getting everybody away from their screens, enjoying the beauty and hard work of our farmers. My family has been attending the Wooden Shoe Tulip Farm since the 1980s. It is an important annual trip to enjoy the beautiful tulips and be outdoors together. 3 generations have been enjoying the annual sojourn. We make trips to enjoy and learn about many types of agriculture as the crops come to fruition at various farms all around the Willamette Valley. I find these opportunities to be a fun and educational way to support our agricultural community. Please move HB4153 forward and when the time comes, vote yes.

Sincerely,
Jennifer Carley
