

Submitter: kd

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4114

i support this bill which will assist school staff, children and their parents from the impacts of uncertainty. Our youth need more information, not less, as they navigate the treacherous world of rogue immigration enforcement officers and policies. The truth that wisdom is power speaks loudly on this issue. Please protect our kids from the unnecessary fears and anxiety that results from not knowing.
