Measure, Appointment or Topic: HB4075  
"Attn: State Treasurer Steiner,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Please support local healthcare access and act to save the Bay Area Hospital!
