Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or
Topic: HB4153

My Wife and I have operated a pumpkin patch for 30 years on Grand Island. Thousands of people have enjoyed getting out into the country to spend a day at our farm. We work very hard at minimizing any impact on our neighbors. Having a pumpkin patch has allowed us to restore 2 beautiful farm buildings to add to the community. We support this Bill making it easier for farmers to host events and the public on farms.
