On Behalf Of:
Committee: House Committee On Transportation
Measure, Appointment or Topic: HB4085
Co-sponsors Sen. Meek, Rep. McLain, and Rep. Hai Pham have all taken money from Google or Tesla. They are in the pockets of Big Tech. These Democrats keep selling our power and water to Big Tech to cash in. Don't let your kids and family be surveilled 24/7/365 by robots on the street that you didn't ask for in the first place!
