"TO: Treasurer Steiner and Legislators,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 2,089 more patient transfers and 182 preventable deaths per year.

We're counting on you to help support the Bay Area Hospital!
