

Submitter: Lars Jefferson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

Our farms and agricultural centers are one of the things that make Oregon great. Farmers should be able to use their land and space to make as much profit as they can. Petting zoos, restaurants, gift stores and seasonal offerings (pumpkins, trees, sheep) bring in the communities they serve as well as help people learn about agricultural practices, this is a good bill. Leave farmers alone.
