HB4153

Kathleen Taylor -

I am writing as a lifetime Portland citizen that has spent countless hours on small, family owned farms. I ask that you vote in support of HB 4153 to continue to allow these types of farms to diversify into the agri-tourism sector. I'm sure you've gone berry picking or to a pumpkin patch or corn maze with your loved ones, and it would be a shame if these amazing opportunities were shut down.

Thank you for your consideration.
