Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water
Measure, Appointment or HB4153
Topic:

Born and raised in Hood River, now 65. I have seen many changes and know several family farmers. I feel they should be able to seek any opportunities to stay profitable and continue farming. If this bill gives them options for additional revenue, I'm all for it. I feel that counties are better able to manage at a local level with more local input.

Thank You.
