On Behalf Of: community members  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB4153

My name is Carolyn Rogers.

I am a member of the Port Orford community. I have supported Our local CSA and Valley Flora farmstand for many years. It is an important source of fresh organic food for Port Orford and the surrounding area.

Coos and Curry counties have been and should still be small farms and ranches. These small operations are important for the cohesion of our towns. We have several blueberry stands in the area that people from all over Oregon come visit. None of these farm stands should be shut down in favor of larger operations.

I believe that small farms have the right to sell their produce at their farm.

Thank you

Carolyn Rogers
