

Submitter: Deborah Carey  
On Behalf Of: Third Act Corvallis  
Committee: Senate Committee On Natural Resources and Wildfire  
Measure, Appointment or SB1541  
Topic:

In the summer of 2020 we were blanketed with red choking air for days. I have asthma and a dog. The Benton County facilities were opened for refugees and their animals and we at CoHo took in a family with a days old baby.

It is unconscionable that the polluters caused these dire fire conditions. Please make them pay. Thank you.
