Measure, Appointment or Topic: HB4153

I'm writing to strongly oppose HB 4153. Living in rural Oregon, our local farmstands are how individuals and families here are able to eat. The one grocery store in town is obscenely overpriced. Being able to pick up fresh foods from local growers is how I am able to afford to eat healthily. This bill would shut down all of the farm stands and small farms in our county. Please do not pass this bill into reality.
