Support this with amendments.

One of the most important ways we sustain our farms is through agritourism.

Opening our doors to visitors allows people to experience the beauty of agriculture firsthand. Please support families and farming traditions in Oregon, INCLUDING SMALL Farm stands. This gives family farms/small independent farmers a chance to leave a lasting legacy that values meaningful connections between small farms and their communities.

Farms like ours rely on flexibility to grow, adapt, and welcome visitors. Your support for this bill helps keep farms thriving, families connected to land and food, and meaningful traditions alive in Oregon. Thank you for standing with local farms/FARM Stands
