HB4075

"Dear Treasurer Steiner and Legislators,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and an estimated 180 preventable deaths each year.

Please do what you can to save the Bay Area Hospital!!!
