Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

The Citizens of Oregon signed this petition with the intent to have this measure placed on the November 3rd ballot. The idea that you can subvert the will of the people is not lost on the citizens of this state. We demand that this be placed on the NOVEMBER ballot, as was intended.

I oppose this change with every ounce of my being!

Vote to put this on the November Ballot, where the citizens can identify the failures of their legislators and vote accordingly.
