Measure, Appointment or Topic: HB4075

"Dear Oregon Leaders,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Failure to act at this point will result in a number of preventable setbacks, including an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Please do what you can to save the Bay Area Hospital.

From,

Kim Kyelberg
