On Behalf Of:
Committee: House Committee On Health Care
Measure, Appointment or Topic: HB4075

"To: Treasurer Steiner and Legislators,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and an estimated 180 preventable deaths each year.

Please support local healthcare access and act to save the Bay Area Hospital!

Best regards,
