

Submitter:

Patricia Meehan

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

PLEASE support HB 4134. In light of the fact that federal dollars are dwindling, the state of Oregon must do something to support healthy wildlife habitats.

We cannot have a strong tourism economy without healthy ecosystems. Protecting fish, wildlife, and habitats is not separate from economic vitality—it is foundational to it. Investing in conservation now supports local communities and long-term economic resilience.

Thank you.
