I OPPOSE SB 1599!!!

SB 1599 is a political effort to alter Oregon's election timeline after the fact. More than 250,000 Oregonians signed petitions with the clear understanding—and written assurance—that this measure would appear on the November 3, 2026 General Election ballot.

Changing the election date now is fundamentally unfair and disenfranchises hundreds of thousands of voters who acted in good faith. The Legislature had ample opportunity to address this issue earlier and chose not to do so.

Oregon voters followed the rules. Their voices deserve to be honored.

Please respect the will of the people.

Vote NO on SB 1599.
