Measure, Appointment or Topic: HB4075
"Attn: Oregon Leaders,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

We're counting on you to help support the Bay Area Hospital!

With regards,
