"To: Treasurer Steiner and Legislators,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Failure to act at this point will result in a number of preventable setbacks, including an estimated 180 preventable deaths each year.

I'm hoping you will stand up in favor of the Bay Area Hospital.

With regards,
