Co-Chairs Helm and Owens, Vice-Chair Finger McDonald, and members of the House Committee on Agriculture, Land Use, Natural Resources, and Water:
My name is Maggie Weber and I am a community member in Coos Bay. I am writing to you today to express my opposition to HB4153. Farm stands are a delightful and crucial part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. I really don't want a world where all my food comes from large land owners. I'm also in the agroecology program here on the coast. I currently own 10 acres and it is one of my possible goals to open my own small farm stand and feed my community.

Thanks for your time.
