State Senator Mark Meek
Chair
Senate Committee on Commerce and General Government
Oregon State Legislature

Senator Meek:

The purpose of this letter is to transmit support for SB 1585, that sets maximum matching fund requirements for state grants to small incorporated cities for capital construction and municipal infrastructure.

This will enable smaller communities in the state like mine to achieve greater flexibility in pursuing state grant opportunities, specifically as it pertains to infrastructure projects such as water and electricity development.

I ask for your support of SB 1585.

Regards,

Mike Odman
Mayor
