Measure, Appointment or
Topic: HB4153

My name is Mary Lou Boydston and I am a community member. I am opposed to HB 4153. I want to have every small farmer or backyard fruit or vegetable grower to be able to sell produce any way that they can. There should be no restrictions on this! We all need access to quality food and small growers provide much needed food for communities.

Thank you,

Mary Lou Boydston
