Measure, Appointment or Topic: SB1599

You give the President of the United States grief over his executive orders and call him a "king" or "dictator" and then turn right around and deliberately go against a lawful petition of the people and try and sneak bad legislature through.

The "dictators" are in the Oregon legislature who do NOT listen the people that THEY are supposed to be representing!

If this bill that you are trying to sneak past the people is so good then put it in plane view under a spotlight and let the people decide if they want it or not.

Stop trying to deceive the people by playing shell games and changing the rules to suit your own agenda.

Leave it on the November election where it belongs!
