Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

Hello,

I am appalled at this bill. It privileges large farms and hurts small farmers who have been in business in our rural area for generations. I will be carefully watching the vote on the spill and that will greatly change how I respond to future elections. Our neighbors and friends are equally appalled and startled by the complete unacceptable ability of this bill. Certainly there must be another way to gain whatever good is hope to get from this.

Thank you for your public service.

Lynn Dhanak
