

Submitter:

Kathleen Cochran

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

I support HB 4134. I love Oregon, the state of my birth. From early childhood my family spent time at the coast, in the mountains, and in Central Oregon. I hope you will vote to provide this funding source to protect at-risk species and habitats.

Thank you,

Kathleen Cochran
