"TO: Oregon State Treasurer and Legislature,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 2,089 more patient transfers and 182 preventable deaths per year.

We're counting on you to help support the Bay Area Hospital!

Best regards,"
