2026-302  
Measure, Appointment or SB1599  
Topic:

The people of Oregon have successfully petitioned our government for relief from the onerous burden of excessive taxation on transportation. Our petition specifically calls for a vote on the November ballot. Moving the vote to the May ballot is a violation of the Oregon Constitution.

Free people have exercised our constitutional rights. We expect our representatives to honor our intent. SB 1599 should never make it to the floor for a vote.
