I want the vote to continue to November. Which we signed to have done. Please do as the Oregon Residents who signed the proper forms for no taxes. We do not want more taxes. Agencies should be held accountable and not waste funds as ODOT. I have witnessed 10 men at a work site and watched 3 men working while 8 others leaning against the trucks laughing and not doing anything. I watched for over an hour so no lunch break just waste of tax payers dollars paying for employees who do not work . So no taxes till everyone is held accountable
