2026-302  
Measure, Appointment or  
Topic: SB1599

The petition that we the people signed to get this issue on the ballot stated November 2026, by changing the date to May 2026 you are rushing the process of getting it on the ballot. It would not have the proper time to get it into the voter's pamphlet in the manner it should be submitted. Legislators are not listening to the Oregonians!
