It is very disappointing to see Democrats engaging in politics to try and vote on the gas tax bill in May, when statistically, voting turnout is poor. This is disingenuous and really, thievery. Thousands of Oregonians gathered over 250,000 signatures as a signal that WE DO NOT WANT MORE TAXES! We need Oregonians to vote on this. The only reason for this bill is that Tina KoTAX doesn't want her name on the ballot for re-election near this tax bill. Oregonians have resoundingly said NO! NO MORE TAXES. Cost of living is high enough without anything to show for it in this state.
