Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4134

I strongly support the testimony of the Oregon National Desert Association to put a small charge on transient room tax for Oregon's wildlife through HB 4134. Helping wildlife is good for humans and the rest of the animal kingdom. They have so little remaining of the land available to live on. Helping wildlife is also good for the economy.

Thank you for the opportunity to comment, however briefly!
