Topic: SB1599

I urge you to oppose this bill. The people of Oregon rose up to be heard and asked for the ODOT bill to be on the November ballot. This is a slap in the faces of all who signed the petitions. The rules shouldn't change constantly. This most likely will be challenged in courts, wasting more of our dollars and valuable time.

Can you say tone-deaf?????

I urge you to uphold the wishes of the people and leave the bill on the November ballot.
