On Behalf Of: Mr Oregon SUPPORTS SB 1597  
Committee: Senate Committee On Energy and Environment  
Measure, Appointment or Topic: SB1597

I SUPPORT [SB 1597].

This piece of Legislation appeared in a prior Legislative Session-I forgot how long ago.

You bet people should know the costs up front.

Personally, I do not trust the Public Utility Commission (PUC) for setting rates.

However, the PUC is all we have to monitor the wastes produced by electrical power generation and the costs to handle the wastes and disposal costs.

Heaven Help all of us.

David S. Wall  
Mr. Oregon Concurs.
